

EMERGENCY NURSE RESIDENCY PROGRAM

Program Description:

The Trinitas Emergency Nursing Graduate Residency Program is designed for the registered nurse that has graduated within the last 12 months. The program will support the transition of a novice nurse to a competent, professional and confident nurse. This 12-week program will build on the foundation of the nursing practice and commitment to the future of the nursing profession. It will increase confidence in assessment, decision-making, prioritization and critical thinking skills with hands-on clinical experience under the supervision of an experienced preceptor. The program also provides a critical care course.

Requirements:

- Registered Nurse that has graduated within the last 12 months
- Malpractice Insurance coverage of \$1 million to \$3 million per year
- American Heart Association BLS
- Satisfactorily pass a criminal background check and pre-residency physical exam, which includes a drug test

Certifications Earned During Residency:

- ACLS
- Phlebotomy
- EKG Interpretation
- PALS
- Glucometer

Cost: Trinitas School of Nursing Graduates \$3,200
All Other Graduates \$3,700
