### **Directions**

Take the Garden State Parkway to Exit 140 and then take (82) Morris Ave. East toward Kean University. Pass Kean, go through North Ave. intersection and then proceed several blocks to Westfield Ave. At Westfield Ave. (28), make a right and then a quick left onto Union St. Union County College's Kellogg Building is at the intersection of Union St. and W. Jersey St., and we are located on the third floor of the building. If you make a right onto W. Jersey and a quick left onto Sterling Place there are parking spaces available on the street. You have to use the "Muni-Meter" to pay for your parking space. Parking is also available in the public parking garage on the corner of Union St. and W. Grand St.

The School is also easy to reach by train. Please use the NJ Transit Northeast Corridor Rail to Broad Street Station Elizabeth. It is a one-block walk from W. Grand St., going south on Union Street. The Kellogg Building will be to your right after crossing W. Jersey St.
