

# The Trinitas Hospital Library Consumer Health Information Partnership

Monday—Friday 8am—4pm or visit online anytime

[www.trinitashospital.org/medical\\_library.htm](http://www.trinitashospital.org/medical_library.htm)

Did you know that looking for health or medical information is one of the most popular activities online, after email? How do you know if the information you're getting is credible?

Trinitas Medical Library offers dependable, basic consumer level information for our patients, their families and the community.

Please call to request information or visit our website.

While in the hospital, patients or family members may ask

*Library Main Number: 908-994-5371*

Medical Library  
225 Williamson Street  
Elizabeth, N.J. 07207

*Please discuss medical information  
with your health care provider.*

*The Library staff does not interpret  
information received nor diagnose*
